GOOD ORDER INSTRUCTIONS

1. Please contact your Plan Administrator prior to completing this form to determine if assets under an existing plan or traditional IRA can be rolled over into this Plan. If yes, complete this form and forward it to the Former Investment Provider/Record Keeper along with a request for a distribution. Mail or fax a copy to the address or phone number above. Please make a photocopy if you wish to retain a copy for your records. If you are not previously enrolled in the Plan, your Plan Administrator must submit a completed Enrollment Form before requesting a transfer or rollover to Voya.
2. In order to process the rollover or transfer request, the transferred assets must be received at our designated location in good order. Assets transferred by the Former Investment Provider/Record Keeper will be deemed to be in good order if accompanied by the appropriate information to enable Voya to apply the assets to the Account Holder's account. Any corrections made on this form must be initialed and dated by the appropriate parties. Transferred assets will be invested using the Account Holder's most current investment allocation, unless we receive this form on which an alternate investment selection is made. If the alternate investment instructions are not in good order, as we determine, we may return the form to you for correction and re-submission, or we may contact you to clarify investment instructions.
3. Funds will be applied to the account the same day they are received from the Former Investment Provider/Record Keeper if received in good order before the close of the New York Stock Exchange on any day the Stock Exchange is open for trading (usually 4:00 p.m. Eastern Time). All requests received in good order after the close of the Stock Exchange will be processed the next day that the Stock Exchange is open.
